INTRODUCTION

WHAT DOES THE BIBLE REALLY SAY ABOUT “HELL” I.E., HELL VERSUS THE LAKE OF FIRE?

This word has many popular and street meanings along with foolish meanings from the religious cults and witchcraft, and Medieval superstitions. Why do religions people, monks, and preachers think that they can scare people out of this paganism? These terrors are in all religions along with their visionary illusions of heaven. Where can I start to unravel this confusion both in the Church and the religious world of delusion?

The curse word “Go to Hell” is on the lips of many people when an incident takes place. Does it mean “leave me alone?” or “mild form of vengeance?” or just go “To the devil’s place?” or just an empty phrase that contains no meaning?

Buddhism, Hinduism, Islam, witch doctors all tell of horrible torments in graphic details to those who are bad. Then they seduce them into a false religion of magic water as the Ganges River, or rituals or asceticism or churchianity in order to escape “their” tortures.

Then the papacy (Roman Catholics from the ancient Roman Mystery Religion and her Protestant sisters) through visionary monks, apparitions of saints and Mary, and European mythology, brought all that nonsense in to the pagan Christendumb, “The Church”.

In order to escape hell, the Eastern Religions invented reincarnation, where after many so-called lives, one can escape their sinful

karma by going into Nirvana, the nothingness of all-is-god-ism. The problem is that no one knows their past “lives” so they don’t know if they were good or bad which denies them the knowledge of getting better or worse.

Next, the papacy invented purgatory from the pagans in order to clean one up from their sins by burning them off since the bloody sacrifice of Jesus was not sufficient to do the job, 1 John 1:7.

Finally, the Gnostics mixed both systems up to invent their lying twist of enlightenment in order to escape evil physical body which Elohim created good and beautiful, Gen. 1:31.

Since Gen. 3:10, the source of psychology, mankind is full of fear, hiding from God’s presence, and psychically isolated in their miserable “selves.” Therefore, Religions of all types, classes, and shapes use the wedge of salesmanship to try to scare people into living correctly, or at least, live in some semblance of moral, social order. But internal corruption destroys all societies as ours is collapsing.

In my conversations with the group at the café, the theme of hell always came around to its value. They love to mock hell by typical phrases, “All my friends are there!” or “It’s a friendly place!” or they mock at the tortures that were spawned in the medieval Catholic Church myths. Even my Catholic Dad said, “Life is hell!”

No need to document all the current weird ideas that we hear everyday in our daily walk through life. Superstition is rampant, running through the streets telling lies.

Here are some: reincarnation, eternal flames, Greek myths, no such place exists, curing God’s mistakes, annihilation, errors of the mortal mind, all eventually will be saved out of hell by various form of purgatory or universalism, God’s love/lust/desire saves all, I hate hell! This makes God into a brutal bully. So all are saved, but some don’t know it yet which is God’s big trick on people, evil mandalas, vivid nightmare, “I’m god” ergo, no place exists, visions or trances of hell, and now amazingly, the pope is getting rid of limbo, but not purgatory, and many other gross slanders that we hear on the radio and TV which crawled out of Hollywood or fell off a “shrinks” couch or reinterpreted by Jung’s occult dreams.

Why do people believe all of the above silliness with various levels of fear? Easy! They refuse the truth so God sends them lies to believe by false prophets to the gullible, God-hating people. Read John 15:18-27, Ahab in 2 Kings 22, 2 Thes.2:9-13. Radio/TV spread the devil's religion everyday, all day long, and people love it.

Look at today's horror movies. They cause fear stupidly, but not the Creator, Mat. 10:28, "Who can send you into the garbage dump."

The main problem today in the Church is universalism, i.e., everyone will eventually be saved after various types of pagan purging from philosophy, sages, and false visions by people who are supposed to have made a trip to heaven or hell. The false translation of the Massoretic and Textus Receptus contributed to this current circus.

The occult and mythology are what most people swallow along with using Bible verses out of context or deliberately misquoting. Over the years these lies produced this system that gives people nightmares and fear of devils.

Rom.3:18 "They have no fear of God in them." Some people have enough fear to try to do false good works in order to save themselves, but they are all frustrated by their lack of spiritual truth to do them, cf. Heb.9:14.

Yet, their fears come out in a twisted way. People instinctively know about a hell so they stay drunk or drugged to avoid facing up to their future judgment by Jesus, John 5:18-23 & 2Tim.4:1.

You know of many definitions of hell, even more than I listed. Enough of the errors, misquotes, and aggressive preachers trying to scare people out of hell into heaven which only met with mocking and being attached by the ungodly.

A few years ago, I finally realized in the Bible that no where does Scripture say "Believe on Jesus to go to heaven and avoid hell." That came out of the salesman's trick which was invented by a Unitarian lawyer named Charles Finney. They work at getting a pseudo confession of faith while people continue to live like the devil after having an experience to be saved from the horrors of hell.

(Gal .1:4 and Phil. 2:14-16 state that a believer escapes living like this corrupt world as pictured in Hollywood and Congress. Preached is guesses, speculations, opinions, hope-so, and feel-good-ism.

As a fundamentalist of 1910, converted in July 1952, being taught chapter and verse in context, I finally found the real meaning of hell through Greek and Hebrew studies without the Symbols and Greek mythology, etc. The Church is full of such tom-fooleries.

The preachers use the Bible as a dictionary that only has words and not a consistent message, which can be used anyway they please, such as ... 3 or 4 words They develop their theory, then find a phrase out of the Bible to back up their lie like a lawyer's brief, then state - "The Bible says!!" Bull! They string out verses like beads on a rosary.

Do you read the newspaper or book that way? Obviously not. So why abuse the Bible???

Have I angered you yet?? I'm working on it! Well, let's see what the Bible really says in context with the correct denotation. Correct hermeneutics that all preachers were taught in seminary and Bible schools and know, yet they refuse to use it and teach their congregations how to study the Bible for themselves. Preachers tend to be the authority and refuse to relinquish it. They want to be a priest which our Bible forbids, 1Pet.2:1-10.

Our churches are full of Unitarians, Modalists from Barth, and deniers of inerrancy who use clever double think, such as, infallible. To me they are the same, but to the theologian, infallible means that the Bible contains errors in order to deceive the congregation. This is one way the seminaries take conservative money while they deceive the students.

The professors sign doctrinal statements, got their Ph. D's from pagan universities, and bring in "just another point of view" which in reality is rank heresy. But the trustees allow the poison so all our denominations are run by liberal modernists, controlled by the slick hierarchy who quote: "Take the Bible seriously"??? Ha! Only a few independents escape as most rush to join the ecumenical movement which rejects the Scripture, Rev.22:16-19.

I was seduced as NOBTS for 5 years before the Lord returned me to the truth out of NEO. I await any critique that will make the Bible clearer to me if I am in error. The people who disagree with me are usually closet anti-Trinitarians with clever use of our Bible words, such as the New Agers from Fuller Seminary (Piper, etc.).

Tongues cult and Catholicism (Roman, Lutheran, Greek, Anglican, Presbyterian, and other sacramentalists that put magic water on a baby) are running and ruining the Church. Apostasy reigns! Since 148 A.D.! Read Justin Martyr's "Apology" to see the start of it.

These "Priests" reject an everlasting hell in order to avoid being responsible for their deceiving of the gullible deceived church members. The real believers leave the false teachers, 2 Tim.3:14-4:5. Home assemblies are many, but some are from false teachers as Gene Edward's cult.

My "pagan" friends know that I am correct. I only have problems with "Christians" who tell me that my Bible verses are wrong. Here is my pitch: You believe in Jesus. I believe in Jesus. You believe the Bible is God's Word. Well, so do I. I quote the Bible. You tell me to go to hell. What is the problem here?

I will use typical hermeneutics to tell what the Bible states. I live by the Word of God, Mat. 4:4, not by feelings, experiences, noisy music (Music has replaced the Holy Spirit.), and rationalism. My text is Terry's "Hermeneutics".

Pope JP II: "Hell is a thirst for God that can't be quenched." Time 11-15-93. PARABLE OF THE SOWER, Matthew 13:1-23. 1st: Seeds fell on stony ground where the devil snatched away the gospel from their mind. 2nd: Seeds fell on the shallow ground where they believed the FEELY GOSPEL for a little while, then they left it because of suffering and persecution.

3rd: Seeds fell on the thorny ground where the THEOLOGIANs choked out the gospel with their pleasures from Gnosticism and remunerations. 4th: Seeds fell on good ground where the REAL GOSPEL (Romans 3:9-5:5) is believed and practiced. Whoever has ears to hear, hear! cf. Jeremiah 5:21 and 6:10.

GEENNA is from the intertestamental period. Its usage comes

from the Valley of Hinnon—the garbage dump because the Jews used that valley for human sacrifice of their children to idols, Jeremiah 7:31-32. It is used 12 times in the N.T.

Matthew 5:22, 29, 30: “But whoever says ‘you fool’ shall be in danger of the stinky garbage dump.” Same definition in other two verses. The Sermon on the Mount is the correct meaning of O.T. laws which the Pharisees perverted into their own works religion. Jesus is telling them that no one can keep the Law. Since you fail, you belong in the Stinky Garbage Dump. Mat. 7:12 is the correct summary of this sermon. Calvinists, Puritans, and other cultic Judaizers always misuse 5:17-20. They hate the context and refuse to see Jesus’ meaning at the end of His sermon in 7:12. Law-keepers always fail and will end up in the stinky garbage dump.

Matthew 23:15 “You Pharisees, Hypocrites! You make a pagan convert twice as much a child of the stinky garbage as yourselves.” Most missionaries are teaching law instead of trusting Jesus Christ, TODAY! 23:33 “You sneaky Puritans, how can you escape the condemnation of the stinky garbage dump?”

Mark 9:43, 45, 47 is the same as Matthew 18:9. Jesus is teaching that law-keepers cannot be saved, John 6:26-29.

Luke 12:5 is the same as Matthew 10:28. As always people fear the wrong thing, such as, Hollywood films, ghost stories, or the bully, but not God, Pro.9:10.

James 3:6 “The tongue defiles the whole body, and sets on fire (literal?) the course of nature and it is set on fire by the stinky garbage dump.” James is a good Pharisee. His whole book is about keeping laws instead of trusting the Lord Jesus. He is writing Christian (?) Jews on keeping the O.T. laws with some lesser variation. Luther was right when he called it a “Strawy book/epistle”. It took the “church” over 200 years to put it in the canon. By that time, the gospel was gone, Read Justin Martyr’s “Apology”. Read Galatians if you wish to escape the dump!

Why are preachers and Jim C. believing that people will be sorry in “hell” and wish that they could get out.

THAT IS STUPID!!

People hate Jesus now! John 15:18-27. People always hate God and refuse to “repent/change your mind”, Rev. 16:9-11. Why are people foolishly thinking that they will become penitent in God’s punishment? They are holding down the truth, Rom.1:16-25, and fleeing truth in their every day life. They love darkness and love doing evil, Eph.4:17-19. Read Proverbs 1:20-33! Pro. 6:16-19 tells us who God hates. Why? Pro.14:12-16.

~~~~ --Sheol, Englishman’s “Hebrew Concordance”. It is used 65 times in O.T. Wilson’s “O.T. Word Studies”—means “abode of the dead” BDB “Lexicon”—figurative—“wicked life style” The context has other uses.

~~~~ --Hades, Moulton & Gegan’s “Greek Concordance”. Used 10 times in N.T.

First, in Hebrew hermeneutics, the way to know the meaning of a word that one does not know, is to use its parallel meaning. The unknown word is a synonym of the word you understand. See Terry’s “Hermeneutics” pages 144-156. This key really cleared up the bad theology that was taught me.

“Hell”, those, falsely translated hell, are in parallelism with death, grave, etc. It never refers to the kingdom of the devil as preached by the Sibylline “Tongues” cults since Montanus in the 2nd century.

Matthew 11:23 “brought down to Hades/grave.” Is a figure of being humbled. Matthew 16:18 “the gates of Hades/death.” Is a figure that death will not win.

Luke 10:15 same as Mat.11:23. Luke 16:23 “being in torment in Hades” is a suffering in the abode of the dead.

Acts 2:27 is same as Psalm 16:8-11 Sheol, “You will not leave my soul/being/spirit in Hades/grave.” Paralleled with corruption/no rotting of the body. Jesus’ body will not decay since HE went to heaven in the Spirit and resurrected in 3 days. Acts 2:31 same as verse 27 above.

Rev. 1:18 “Jesus has the keys/authority over Hades/grave and of death” is Jesus’ power over the future state of us. Revelation 6:8 “Name of the pale horse was death and Hades/grave” is the result of the 3 other horses in symbol of Generals, War, and Famine. Jesus

promised this in Mat.10:34 and 24:7. These four horses happen until the end of the world. No one world government is possible.

Rev. 20:13 “Death and Hades/grave delivered up the dead people.” This is the final judgment of all the wicked, cf. 2 Tim.4:1. Revelation 20:14 “Then (Death and Hades/grave) the dead and the grave (translators forgot the “the” in their translation which means specific things) were thrown into the Lake of Fire. This is the second death.” This is the final place for all those who oppose Jesus. Lake is a place and fire is suffering. This is where the devil and all those who followed his lies will abide forever. Any other interpretation is pure deceit.

In the US Navy, I was newly saved and came from the north. I did not understand the South and its cultural religion or cult religions. One sailor invited me to hear A.A.Allen.

(After he died, Times wrote a review of his life—a drunken con artist.) So I went to his meetings. He scared me to death (not literally). He had demons crawling out of walls and running all over the place. One fellow was trying to climb the curtains.

Then Allen was casting the demons out by misquoting Mat. 16:18. Years later, I learned the Pentecostal game that has spread too far and controls all the pagan Churches today. So-called Christians are swallowing the demons’ lies. Are they saved? I doubt it. Jesus is truth; not a con job, John 14:6.

Another hermeneutical truth is that we must interpret the literature according to its genre/class of literary style, such as, history, drama, letters, prophecy, poetry, proverbs, fatalism, progressive revelation in lineal history, suffering, sarcasm, etc.

Compare 1 Peter with 2nd: In the first, Peter is waiting to have the reign of God come soon. In the second, he is waiting to die as Jesus predicted. Those who love the “future occult utopia,” only quote the verses that fit the system. They always avoid the development of revealed truth and verses that don’t fit their system.

Do you take Alice in Wonderland literally? How about the Wizard of Oz? Of course not! Yet, how many fools are taking the Revela-

tion from Jesus Christ literally, 1:1. There is a literal meaning, but it is under the figures and symbols.

To take Rev. 20 literally is stupid! The Holy Spirit teaches us the truth, John 14, 15, 16. People should know all of the Bible then they would understand the Apocalypse. How can false teachers, 1 Cor. 2, claim to be believers when they deliberately misuse the Bible, as in 2 Pet.2:1-3 & 3:15-18.

Of course the Bible says “There is no god”. But it is out of context. They deliberately omit “the fool has said in his mind.” “Always learning and can’t understand the truth,” 2 Tim.3:1-7.

The meaning is clear if they read the whole paragraph instead of picking a phrase “...3 or 4 words...” such as, Rev. 20:6 “Blessed is the one who has part in the first resurrection (John 5:24-25, and “born from above” means regeneration from/by the Holy Spirit.) Over such, the second death (everlasting torment, Mat.25:40-46) has no power.”

The real meaning is under a figure of speech or symbol. But they can not be taken literally and be normal in the head.

While learning Spanish, I wanted to tell the group around the café table that I was teasing them. So I translated “pulling your leg,” an American proverb literally. A lady replied, “You are not playing with my leg.” And we all laughed. I needed to use the Spanish Proverb “Tomar el pelo”, i.e., taking/pulling the hair. If one takes a proverb/figure/symbol literally, then you are a false teacher of the Bible and literature. How does one circumcise the heart/mind?? Or immerse without hands??? Deut. 30:6 Col.2:11-14! Only the context makes the figure clear which the false teachers refuse to practice, 1 John 4:1-6.

OTHER VERSES THAT EXPLAIN EVERLASTING TORMENT/PUNISHMENT

Matthew 7:23, 22:13, 25:12 “I never knew you! Depart from me/ Jesus!” We know family relationships hurt when we split from them. How much more suffering is caused when we are torn away from our

Creator!? Pagans play the game by rebellious mocking God because HE is there. I learned a lot from Mike, who followed the devil.

After mocking God and rejecting His way, Mike looked up to heaven, admitted his folly, and knew that God was going to damn him to hell. I was shocked because of his meanness to God and hate for Him.

But I learned a secret of the devil worshipers. They need God to give them meaning to their miserable life and following their self contained lie.

Also, as I passed out my study sheets by putting them inside the car when a window was left open, one lady called me up on the phone to condemn me. She had her religion and did not want any other.

I replied to her that I invited her to my church where people cared for her to learn the truth. She: "I follow the devil and I am happy with him." I live near Boulder, CO. where devil worship is popular and the number two center after California.

Matthew 8:12, 25:30 "The ungodly Jews will be thrown into outer darkness (no light from literal (?) flames). There will be weeping and gnashing/grinding of teeth." They will not repent, yet always running away from the truth.

Jim C. thinks that people in torment and rebellion will be sorry and repentant while in "hell". There, they are still full of hate for God trying to control them and would still spit on God and Jesus if they could get to them.

They are only sorry for being caught and judged for their rebellion and obeying the snake instead of the Creator.

On the radio when I was a young believer, I heard B.J., Sr. telling about the conversion of a man. I thought that it was great until he ended that he was in a car crash, dead, and on his way to hell when he trusted Jesus. AAAAAHHHHH!!! What is this? Protestant second chance like the Seventh Day Adventists?? Or another form of quick purgatory???

Matthew 10:2, Luke 12:4-5 "Do not fear those who murder the body (the devil and his servants, John 16:1-4), but cannot kill

the soul (Plato's word) psyche/being/spirit. But rather fear the Lord (Prov.9:10) who is able to destroy/ put you in ruin, both spirit and body into the garbage dump." When believers are martyred, then go to Jesus' place where they bug Jesus to get vengeance on their murderers, Rev.6:9-11.

Matthew 11:23 "Oh Capernaum, who is exalted as far as heaven (pride), you will be brought down as far as Hades/death (humiliated)."

Death is not a place in this context, but an illustration of being humbled from living in the illusion of self-importance. Rom.12:3. "Pride comes before a fall, Proverbs 16:18."

Matthew 13:49-50 "The angels shall come forth and shall separate the wicked from among the right doers and throw them into the furnace of fire. There shall be wailing and gnashing of teeth."

Is the fire figurative or literal? A place of suffering! Yes! Painful, Yes! Anger, Yes! Repentant, No!

Matthew 18:34-35 "Turn him over to the jailor/torturer....This is how my heavenly Father shall treat each of you unless you cancel/forgive your brother's wrong doing."

Matthew 24:50-51 "Final judgment: God will cut him into pieces and appoint him with the hypocrites. There shall be weeping and gnashing of teeth." Is this really hell being cut up?? Church hypocrites will be there along with the false prophets and teachers, Mat.23. Will the literal (?) fire burn up the carved up body??? (Literally?)

Matthew 25:40-46 Verse 41 "Proeuesthe ap' emou eis to pur to aionion..." Go away from me into the fire/suffering the everlasting one. Verse 46 "Kai apeleusontai hotoi eis kolasin aionion, And shall go away they into punishment/torment everlasting hoi de dikaioi eis zoen aionion." The now/yet rightdoers into life everlasting.

The same word is used for being in heaven and in the fire. Therefore, both are everlasting! Out goes the annihilation theory.

For those who reject everlasting suffering will also have to reject/deny everlasting life with Jesus, John 14:1-3. Many deny heaven for Nothing/Nirvana, while others reject "hell" because their false god is "love/purgatory, etc."

The honest pagan, if there is one, has created their own idol to follow. When one rejects God's revelation, anything goes. Listen to radio and TV preachers to prove me correct. These lying teachers were predicted by Jesus in Mark 13:21-22.

Luke 16:23-24, 28 "In the torments in the place of death, the rich man wanted some water."

Is this real or a parable? It does not matter because Jesus is teaching punishment for being a rich selfish person.

"...Because I'm tormented in this flame." This flame (?) does not consume the person. It is like a burning of lust or anger.

Luke 16:31 "The dead can not tell the living about the torments of death." How many kooks are out there telling us about their experience, visions, and trips to hell (OOBE?), and even about heaven? Then they give their solution on how to avoid them.

The cults are full of this silliness. We expect that but when fundamentalists and other so-called Bible believers spread that manure a foot thick, then I go crazy. Have you gone to the idol shops, alias Christian book stores? Go there and see all the nonsense on the shelves.

Am I thanked for telling the nominal Christians (which means "not saved") the reality of future condemnation?? Of course not! They want itchy ears, the occult nonsense which they pay well for that false bilge.

There is a gap that can't be bridged, yet the people are curious about the future so they visit the psychics, fortune tellers, palm readers, horoscope, and other forms of divination.

2 Thes. 1:6-9 "Since it is the right doing thing with God to repay with tribulation/ affliction to those who trouble/persecute you,... When the Lord Jesus is revealed (end of the world) from heaven with His mighty angels/messengers in flaming fire, taking vengeance on those who do not know God, as on those who do not obey the gospel of our Lord Jesus Christ. (I guess that God does not love all.) They shall be punished/everlasting destruction from the presence of the Lord and from the glory/honor of his power."

This is my preferred and favorite passage on the doctrine of ever-

lasting punishment! We do not know all the future gimmicks, only guesses.

But we do know that the Bible is very clear in its message. How can evil people be separated from the eternal, ever present Tri-unity?? Psalm 139! In this life, we rebel against God, others, and self unless saved.

In the next world, we relate to Jesus or to no one since one is lonely and isolated there. Gen.3:10 is forever!

2 Thessalonians 2:9-13 (my translation abbreviated) “The lawless one (or society) comes in Satan’s/Adversary’s energy with all power, signs, false wonders, and with all the deception of evil/wickedness for those who are perishing (1Cor.1:17-18) because they hated the truth (John 15:18-27) so as to be saved (currently, it is not a politically correct word in ecumenism.). For this reason, God sends them a delusion to believe lies in order that they shall be damned, those who took pleasure in evil, but some trusted the truth.”

Why are preachers using non-Christian delusions, such as Bardo, to explain the “truth”? about the future state?? Whether there are literal flames or not, here is a picture of the worst torment ever. There is always an everlasting separation from the triune Deity!

We can’t scare them out of it because they “love” darkness rather than light, “John 3:19, 36.” Oh how the context of John 3:16 is trashed. The real problem, after all is said and done, is that they mix hell/grave/death, the holding place before they are placed in the final place in the Lake of Fire, Rev. 20.

Rev. 20:13-15 “The sea gave up the dead which were in it. Death and Hades/grave (Hebrew parallelism) gave up the dead. They were judged (2 Tim.4:1), each one according to their deeds (Gal.5:19-21).

14) Death and Hades/grave were thrown into the Lake of Fire/place-of-suffering, i.e., the second death. 15) Since a person’s name was not found written (perfect tense—passive) and remained unwritten in Life’s book, the person was thrown onto the Lake of Fire.”

Remember Revelation 1:1 is not literal like Alice in Wonderland or the Wizard of OZ or Gulliver’s Travels or Sesame Street. To take

this Book and the Lake of Fire literally is against all literary writing and principles of language. We cannot communicate if we live in la-la land.

The Bible has many types of literature and to deliberately take the Bible format as in the KJV style of all written in literal verse paragraphs is stupid. This contributes to the denial of the context.

Do you read the newspaper or any book like that? Never! Don't damn me by your own foolish gobble-de-gook language. It is like the Tongues nonsense. Do they dare to apply the Scriptures to themselves after they have accused others of twisting the scriptures? 2 Pet.3:15-18.

How about the KJV translators who deliberately mistranslated the words because King James wanted to keep his pagan Anglican-catholic mystery religious church? Where? In the words: baptism, church, bishops, hell, appointed, etc.

I will intelligently discuss any translation of the Textus Receptus and correct any of my errors. I'm willing to learn, but keep your insults to yourself since your bigotry is hurting a genuine witness for our Lord Jesus Christ, Rom.2:24, as the Jews caused the Gentiles to slander God so many preachers today are misusing the Bible words also, and cause the modern pagans to mock God's future which they innately admit when drunk. Practice the context which you always accuse others of not doing.

PREFACE

Theology is hell and Orthodoxy is always dead!

Why? Because they always reject and deny the Revelation from God in the Old and New Testaments from the Apostles and Prophets, while they pretend to tell us the truth by trying to make the truth easy to understand with human wisdom, 1 Cor. 1:17-31.

This started before Justin Martyr wrote in 148 AD. Ever since then, all theology has done is to deceive the masses and hide God's revelation, except that the elect do escape this, but in many cases they have been badly burned, Mat. 24:24.

Here is how they did it. The theologians take created/worldly things and seek to form a system. The system is a great (?) saying that all is "up". He positively explains everything in "up".

Another theologian states that everything is "down" and he positively explains the whole creation in "down".

Then the royal fight continues as the little minds take a little of each and form various compromises.

My position is "as God made it" without the great wisdom of the sages, theologians, philosophers, hierarchies, bishops, popes, and whatever, ad nauseam, Heb. 11:1-6. We have a Savior in Jesus; not a path to save ourselves by impossible advice that no one can do, Acts 15:6-11; No matter how good it may appear.

We learn and grow in stages just as a child grows. We have four children and none wanted to be what they were. They wanted to be older or younger. As the baby starts crawling in the backyard and learns each area and different toys, so do we as we grow in Bible truth.

We can see, know, and understand all that God had revealed, but we can't know what God has not revealed, Deut. 29:29. The baby can not know all about the world, but the baby can know all about the backyard. Theologians speculate on the unknown and in the process they ruin the known truth by their Gnostic and Sibyl dreams.

We are all like Adam and Eve, rebels! The Unitarian-liberals see us idyllically as free, when God gave them the warning to obey or not trust-and-obey the Creator.

St. Gus, the sex-fiend Manichean, sees us only as a mess of corrupt manure pile. All that Adam and Eve really tell us is that Mankind prefers to rebel in any situation, instead of trusting the Creator. The creator led us to rebel so that we would not be "law-loving" Pharisees and not trust in the Creator. The "perfect" don't need a Savior, Gen. 3:15.

Philosophy began when the Greeks got tired of sinful Zeus, so the philosophers wanted morality without capricious "gods". Theology began when the early Assemblies of Jesus gave up the letter to the Galatians, by Paul, and started putting the Biblical revelation into the Philosophical language as shown by Justin Martyr, the first recorded liberal who was accepted into the local assembly. They ignore YHWH as the real Creator, then the theologians treat YHWH like Zeus and wrote HIM off. What a big lie! Treating YHWH as the foolish Zeus!?! Since YHWH is morally perfect!

Zeus was morally corrupt. Then the Unitarian sages treated YHWH like Zeus, an angry desert "god", and brought in the Buddhist idea of a lovey-dovey utopian illusion. Marcion was clear on this split, but he was condemned as a heretic, yet he is called "orthodox" and "Biblical" today in our seminaries.

Except for God's occasional Biblical revival to the truth, God's

sheep are martyred, murdered and persecuted salt among the heretics, i.e., philosophy being added to the local assembly, L/S.

We are rebels, born into rebel-land, and we love rebelling! Anything else is a false theological fight between the two extremes. So then a person is only known by which system of Christianity they profess. Jesus is omitted by such trash as;

Calvinism vs. Arminianism,

Roman Catholicism vs. Protestantism,

Christendom vs. cult,

Schofieldism vs. Unitarianism,

Universalism vs. “my” private revelation, ad nauseam!

The Bible reveals YHWH as Eternal Father,

as the historical real Jesus,

as the Holy Spirit who is God’s presence with his sheep.

But when you enter the “theological world”, they change the triune YHWH

into the Transcendent Pure Creator, the abstract unmoved mover;

into the time/space continuum of the incarnate deities;
and

into the immanent presence of the numinous feelings.

Theology rejects the Triune YHWH

for the substitute idolatrous Mystery Religion;

for the Pharisaic law-keeping arrogance;

for self-worship in Mysticism.

Matthew 4:4 or philosophy!?!

Theologians try to make YHWH obey natural or Pharisaic law or some other “ought”; or some other clever oriental philosophy with a Greek or Gnostic twist. We are not a Stoa-cult, but sheep in Jesus’ pasture, John 9 & 10.

What YHWH did to me, chose me!

What YHWH did for me, appease God’s wrath against my rebellion!

What YHWH did in me, his presence is with me all day long!

Mankind, as pictured in Adam and Eve, seeks to do their own choosing,

seeks their own path to deity, and

seeks to walk in the presence of self-esteem, ie, self-importance, since humanity is divine.

Here is how theology avoids the study of the REAL JESUS:

1. Let's argue about the length of the days in creation; 6 hrs, 12 hrs, 24 hrs, or an indefinite period of time?
2. Let's argue about the end-of-the-world system; pre-millennial with various theories, post-millennial, or A-millennial or No millennial Sibyl-theories.
3. Let's argue about the Apostolic Succession of the Pope, the "Baptist" Church, the KJV, or whatever?
4. Let's argue about free-will vs. rebellious will, about election vs. my choice, predestination vs. fatalism, or creation vs. evolution?
5. Let's argue on how to spend "my" money on religion?

May these essays, studies, and critiques tweak you to seek the truth in John's Gospel! Psalm 25:4-5.

Note: I define orthodoxy as traditional Constantinian Mystery Religion;

1. Apostolic Succession of the lama-pope,
2. Magic water sprinkled on a baby for salvation,
3. Priestcraft as developed from paganism and the obsolete O.T.,
4. Hierarchy enslaves the "faithful",
5. Sacramental bull-roast to eat the Egyptian-Jesus,
6. Confession to a counselor-priest,
7. Platonic freewillism is to motivate Re-PENANCE,
8. Celibacy/monks are called the closest to God and perfection,
9. Law-keeping is the means to be saved,
10. They have the perfect Bible, Latin Vulgate or KJV, and other Traditional Claptrap and Revisionism of history.

**THE REASON FOR THEOLOGICAL DIFFERENCES
AMONG CHRISTIANS; NOT HERETICS.**

By Mr. Bibbs, theologian(Zen/determinist)

1. Every person, though a sinner, is different. (Not necessarily in order of value.)
2. Baby Christians are in different stages of growth.
3. New Christians try to use the methods of the world of which they just left. They try to go from the known to the unknown, 1 Cor. 2: 9-16, a la Plato.
4. The BIG THREE:
 - A. Silence
 - B. What Adam was like before the Great Rebellion.
 - C. What God thinks of babies. Deut. 29:29! We trust God's revelation! Those who can not, are left in His hands.
5. Adjectival Theology;
 - A. Depravity: total or partial? none?
 - B. Election; conditional or unconditional?
 - C. Atonement; General or specific? Appeasement, or example, or Foolish?
 - D. Grace; resistible or irresistible? Common? Works?
 - E. Perseverance or preservation; quit or kept?
6. Define your point of view; Eternity, Past, Present, Future, Everlasting, or Confused?
7. Many use the Concordance wrongly by mixing prose and poetry.
8. The sign for the thing signified is sympathetic magic rituals in disguise.
9. Unbelievers can not explain our faith to the church. There are too many unsaved SS teachers and pastors in Christendom who try it by methods and gimmicks.
10. Why is 2 plus 2 equal 4? Gen. 1:1 or chance?
11. Legalism is antinomianism is rebellion against the 10 Commandments.

12. "All truth is God's truth!" is Satan's other LIE! Isa. 8:19-20.
13. Creation can not explain the Creator as one MAN tries to do with the speed of light as a proof for eternity (of God), i.e., the past, present, and future are simultaneous. He said, "God was not and God is." Please explain this!
14. Many split verses by playing one part against another, John 6:37.
15. Some play contradiction of one part of the Bible against another part.
17. Could we just drop the word, "fun"? Use another as real, true, genuine, helpful? We are entertaining our children to death. See Tozer, "Great God Entertainment."
18. Prayer and prayer requests have been replaced by meditation and "goals".
- 19 Whatever God motivates you to do thru his Word, then do it. even if you disagree with me. If you do nothing, then you know your source?! If you want others to do it and you do nothing, then you are a lazy dictator?

IV. Mankind regenerates itself and uses their free will to choose, to trust, and to obey Jesus.

- A. No need for regeneration by the Holy Spirit. John 3:8 and Titus 3:5-6
- B. No need for God-given faith. Phil. 1:29
- C. No need for God-given repentance. Acts 11:18 and 13:48
- D. No need for God to open your heart, Acts 16:14

Reckon: If you are a believer in God, then you will fear judgment, seek the Lord, while He may be found, trust Him with your whole heart, and ask God for the gift of “living water.” Isa. 55:1-7, Rev. 16:9-1, Is. 11, John 7:37-39

Note: Mr. Bibbs tends to be a little sarcastic and occasionally over-states his point. (Mr. Bibbs’ ideas are now more valuable since he was murdered by a church Elder. Hate cannot keep the truth down.)

Mr. Bibbs’ P.S.: Since I believe in the freedom of conscience, believe anything that God gives you to rely on in Scripture, John 3:27 & 10:25-29.

HOW HISTORY CHANGED THE BIBLE

Look at our PURE FOOD advertisements. They say no ADDITIVES, yet when you read the label farther down the ad, you see a lot of stuff that you cannot pronounce. In the Church of our Lord Jesus Christ, you can see the same stuff. Each denomination and even the non-denomination-denominations, have a lot of additives to their BIBLE-ONLY group. Read the Bible and Church History then compare. I have compiled a little selective history to let you get a glimpse of the problem.

Paul and Peter state the value of the Bible in 2 Tim. 3:14-17 and 2 Pet. 1:19-21. Yet look at the history of Christianity and see all the additives and replacements until there is now no Holy Truth from God anymore. Most so-called Christian churches have no Bible truth left in them. Many seek to return to the pure N.T. but they get stuck on half-way reforms. Then each N.T.-only-group fights another N.T. group because Dr. so-and-so or some other false prophet draws a line in the sand and dares anyone to say; “he is not N.T. nor is he a Christian.” All such groups and clubs must submit to “this or that” to be one of the “elect”. The following is a short outline of many such additives.

By the end of the first century, the gospel of transferred righteousness by God through trusting in Jesus’ appeasing death to sat-

isfy God's holy wrath against the rebel was gone. Justification by faith for those who prefer theological language, did not fulfill all of God's demands and righteousness anymore. The N.T. became the NEW LAW of works. The Pharisees entered the church by another door. See the DIDEKE & THE SHEPERD OF HERMES. Romans 3:21—4:8 was replaced by the ideas from the Stoics.

By the end of the second century, the mystery religions influenced Christianity to accept their definition of the ORDINANCES of Immersion and the Lord's Supper. The MYSTERION was fulfilled in the Lord Jesus Christ, Col. 1:27. God made known his plan of salvation in Christ. Faith in Christ made one a saved Christian. But the new scholars who wanted to bridge the gap from the known to the unknown and teach other pagans the truth of Christ, translated the word-SACRAMENTUM, meaning military oath or pledge. Then the meaning came to mean: salvation through the magic (sacramental) waters, and by eating Jesus literally or sacramentally one gained spiritual strength. The Lord's Supper became the old GOLDEN CALF religion of ancient Baalism again. Where was faith in Jesus' finished work on the cross? Tertullian was trying to correct the abuse in his writings by returning to the correct meaning of Sacramentum when all along it should have never been translated that way in the first place. Tertullian's MONTANISM caused more problems than he solved since he had some extras also, such as, no remarrying, do not flee martyrdom, etc. The mystery religions had come through a priest of Cybele who spoke in TONGUES.

Justin Martyr, a platonic philosopher, was converted and began to reconstruct the Bible according to Plato which is now standard. First it was used just as an illustration but later all the Biblical words acquired platonic meanings, such as, soul meant the immaterial part of a man instead of man as a whole being. Desert monks and hermits began to multiply in the Egyptian heat and baptized oriental Buddhism and Hinduism into the Christian mode. They came to be called Gnostics who re-interpreted the Bible to have their secret meanings. One great spiritual (?) leader spent his life sitting on a pole. How stupid can people get! The abnormal was supposed to mean one was spiritual???

In the third century, the Gnostics and the Church fought. So the Church began to define itself by the Bishop (an elder elevated to managerial control). Where the Bishop was, with his apostolic succession of pure doctrine soon became the standard of the true church. Thus the Bible Authority was again weakened. Then the Bishops began to divide over the TRINITY, Deity of Jesus, the Propitiation of Christ, and finally, each Christian sect had its own translation of the Bible. This sounds just like today!

The heresies centered in Alexandria under Clement and Origen. In fact, most of the non-Christian ideas came into the church through these philosophers. I accept the early date for the Gospel of John ca. 50A.D. in order to answer these heresies about Jesus' person and work. Infant Immersion was first practiced in the North Africa area also.

In the fourth century, the first Pope, Constantine, ordered the church to settle its theology on who Jesus was/is. The Bible settled nothing and the state entered where it had no business to be. Then when the Roman Empire was destroyed, the Bishops of Rome took over the secular powers which was the beginning of the Papacy. The four Patriarchs were forced to submit, therefore, they split over the Latin and Greek culture. Gregory, the Great, was the first official Pope. He added to the false ideas (Prayers for the Dead, Sign of the Cross-an Egyptian symbol for the psyche-resurrection, worship of Angels and Saints-Col. 2:18, the MASS) the doctrine of Purgatory from the ancient Orientals. St. Gus defined the heresy though he said that he denied it. St. Gus also defended the State Wars to keep the Donatists in line-fellow Christian killing a fellow Christian??

Freewill began to be taught by Pelagius, a monk from England who got his ideas from Justin M. and Alexandrian School of Gnostic Christianity. This is a philosophical argument from Origen, Philo, and Plato. The Bible says: believe in Jesus or rebel, but not this doubletalk. From now on, the pharisaic-philosophers run the Church. People superstition is re-arranged by the THEOLOGIAN, made into Christian words, and signed by the Pope to make it official. The Pope only spoke ex cathedra after the people forced him to change the Bible truth into idolatry.

Jerome translated the Greek/Hebrew Bible into the Latin Vulgate, the common Latin of the day. Then it became the standard Bible for Rome until Vatican II, in the 1960's.

St. Gus summarized all the past theology, clarified the sacraments, and invented TULIP WHICH is called Calvinism today. Calvinism is only infant Catholicism. Gus' theology governed the Papacy's Platonism until St. Thomas Aquinas baptized Aristotle and it became the standard of theology ever since. Some say that current Roman Theology is in the making of a new one? From this time until Luther, the church history is called the dark ages while the Papacy calls it their Golden Age.

The fifth century brought in more changes. Virgin worship was becoming more popular and other superstitions were rapidly replacing any vestige of Christianity that remained. Where were the true believers? Few were buried in the State Church mess. Most were forced to separate and form other groups as today. Up until religious freedom was introduced in England and followed in the U.S.A., the minorities were murdered and persecuted. But even today in the USA the true believer is lost in Pagan-Gnostic-Christianity. Now we hide in tall buildings instead of mountains and valleys.

At the Reformation Period (From Wycliffe thru Huss to Luther & Farel), the people had the Bible and started to return to it. The newer State Churches left the Papacy in varying degrees, yet the Reformation never really accepted the Bible. They still kept baby salvation by magic water and EATING Jesus for spiritual strength. The Ana-Baptist came the closest to the Bible, but they had many aberrations as the current TONGUES movement of today. But among the mess, a few genuine believers have appeared.

I will start my detailed ADDITIVES from Luther's time. I will show how the ancient heresies re-entered the church since the 16th century. This is the origin of the current heresies that are being preached every Sunday in the USA. Do not be shocked! The people want lies. They pay well for them. 2 Timothy 3:14-4:5 was written by Paul to tell us that such things do happen. My only problem is that when I was in error I had great jobs. But now that I have found

the truth, I cannot get a position of pastor because the churches do not want one who does tell the truth.

If you accept Luther and Calvin as good theology (TULIP) which was taken from Augustine, then we can document the slide back to Papal heresy very clearly under different names than in the first 16 centuries. All Christians have a measure of error, but where do we draw the line between the living faith and a false faith? It depends a lot on where we are coming from or to where we are headed. Is the Trinity really necessary to be believed in order to be saved? At the final resurrection, we will all find out. I say YES! But others say NO to this and other doctrines. I defend historic Christianity and any deviations will leave one in the Lake of Fire.

#1. The following is the errors that have entered the Immersionist's Assembly. Luther tried to leave the Papacy, but only on salvation did he do it. He kept baby baptism/salvation and EATING Jesus to get spiritual strength. He was correct on TULIP, but messed up elsewhere. His chosen replacement, Melancthon, was a traitor. He introduced synergism back into his theology and compromised with Rome, just for peace. So Luther's Reformation stopped and returned to where he left the Papacy. Check out your local Lutheran Church and see if I am correct?

#2. La Fabre and Wm. Farel started the Reformation in France. Most do not know that. But Calvin came along and changed the Freedom of Farel to the legalism of the O.T. Calvin desired the Genevan Republic to be a reproduction of the O.T. state of society, page 389. This rejects Hebrews 8:1-13 and keeps the Reformation under Rome, even though he had the truth on St. Gus's TULIP. Once again the second generation gave up what the Reformers had started. The Reformed doctrine of Faith and Election was lost again in the Sacramental Salvation of Baby Baptism/salvation thru magic water and EATING Jesus spiritually for spiritual strength. They deny John 6:63-65 and follow the idolatry of Shintoism.

The missionary asked why the Japanese woman gave rice to the idol? She replied: "The idol does not eat the rice, but the spirit of the idol eats the spirit of the rice." The same with the Reformed doctrine

of the Sacraments: The water does not save as in ex opere operato, but the spirit of the water makes one savable if they obey the means of grace; and the Calvinist does not EAT Jesus literally as in the Mass, but the spirit of man eats the spirit of Jesus in the Sacrament. With this doubletalk, you can see why the local church REFORMED has returned to the Papacy. In fact, in my town the Presbyterians and the Roman Catholics use the same church building. Where did the Reformation go?

WITH NO BIBLICAL GUIDANCE, ANYONE CAN SEE THAT ROME IS WINNING MORE OF THE PROTESTANTS THAN THE PROTESTANTS ARE FREEING THE PAPISTS FROM IDOLATRY AND ERROR!

#3. Arminius came along to demote Calvinism even more. He was Beza's best student and on his return to Holland, he reintroduced the Papal errors of Common grace, Freewill, Jesus' death for abstract sin, resistible salvation with the devil's strength, and if saved, then one could lose it if they did not stay saved by GOOD WORKS. Now TULIP was gone and the monkeys took over the Zoo. Where was the Bible in all this theological battle that sent troops who murdered each other in the name of Jesus?

LOST IN PLATO'S AND ARISTOTLE'S PHILOSOPHY! Only God knows where his sheep were, John 9:38-10:30?!!

There are always Bible-Only-believers, but they are fodder for the King's troops who defend the magic sacraments. Now we have the magic KJV, even though people cannot read it and understand it anymore. They think that they are saved by the magic book and not by our Lord Jesus Christ as if he wrote it in Victorian English and culture.

#4. Next the Unitarian and Deist Doctrine took over the Church. Luther's and Calvin's attempt to restore the Church to THEIR PURITY was now a relic of the past. Socinus was the leader in the Reformation that now produced its weedy fruit in England and Europe. So if one wanted good Trinitarian Doctrine but mixed a little with heresy, they returned to the Papacy. At least, Rome has the Truth on the books even though they do not believe it anymore.

Most Protestant and Baptist Seminaries now teach Unitarian/Universalism.

#5. Revival came to the Anglican Church thru Bible study groups. Whitfield, an Anglican priest, returned to the good past of TULIP and revived the Anglicans and formed the Evangelical party in the pagan State Church. But most forgot the truth and gave credit to John Wesley who was so-called converted and split the revival movement with his heresy of Arminianism and introduced his unique foolishness of PERFECTIONISM. He got several who had obtained PERFECTION to live in a home so as to prove his doctrine was possible to live, but within the month they all hated one another and split. He did not believe I John 1:8-10. As John W. rejected the Bible to start his Methodist Church, so today the UMC believes nothing BIBLICAL and are leaders of the New Age Movement in the USA. This is just the clear extension of Wesley's teaching. John was in the occult FRENCH PROPHETS, learned the Second Blessing Perfectionism from the Moravians, practiced shock treatments on the mentally ill, plagiarized ideas from many others, besides denying TULIP and keeping the magical sacraments. It amazes me that the current Evangelical Church gives such high praise for this man who was the leader in spreading heresy all over England and USA thru Finneyism???

IF OUR USA CHURCH READ HISTORY, THEY WOULD HAVE SAVED THEMSELVES FROM SUCH ERROR!!!

#6. Darby broke from being an Anglican priest (good!), but he went to the occult and brought its millennium into the Church from Irving's Cult. He made error accepted to the gullible. He became extremely literal in his Bible interpretation and invented the Seven Dispensations that is popularized in the Scofield Bible. The proof of his system was given by M. MacDonald in a demonic trance. The Bible which rejects this means of teaching, is now given this so called correct interpretation by one who practices demonism! Darby's System destroys the Church which Christ died for, and brings back God's enemies, the Jews, into prominent place. He rejects Eph. 2; Gal. 3; Rom. 2. Fundamentalists of the Presbyterian Faith invaded the Bap-

tist Church with the idea of reviving Christianity against Liberalism. But their cure was worse than the disease. TULIP was gone and the second century Gnostics had taken over the church. Yet they kept the magic sacraments to make sure the heretics were saved.

WHERE IS THE BIBLE? They threw it out and kept the notes at the bottom of the page, even when they directly contradicted God's Holy Word.

#7. Irving, an ex-communicated Presbyterian, made Montanism popular again. The Bible was not needed anymore since each person received their own truth from God via GIBBERISH and Demonic preachers. The occult reigns in the current Evangelical Church. If you think that I am wrong and a foolish bigot, just try to believe the Bible-in-Context in any local church and you will see how fast you are put out. The singing is geared to destroy thinking as you become self-deity. Why they carry the Bible and say that they believe it, when they do not, is beyond me.

For example, one pastor read in Numbers 21:6 "God sent venomous snakes to kill the Israelites." His first words out of his mouth were, "God did not send the snakes to kill the Israelites." So the people believe the PASTOR and reject God's Word. What more can I say. THE BIBLE IS NOT BELIEVED OR OBEYED.

#8. I just added this last ADDITIVE because after agreeing with the pulpit committee on being their pastor, they threw me a curve and I struck out. "Will you take a psychology test to see how you get along with people?," they asked me. I said NO! What can those atheists teach me about myself or others? Nothing!

They said that they would contact me. I sent them a study on Biblical psychology and I await their vote. I am ready to be their pastor, but not a shrink. They must choose who they want; a pastor or a shrink!

This Fundamental church though not fundamentalistic, has the truth in its confession, but they have sold out to modern-occult, atheistic-Gnostic psychology. They say it makes the Bible clearer and one can get along better with others if they practice this shamanism.

There is no more need of ones guilt to be placed on Christ's sub-

stitutional sacrifice. The Bible imputations (Rom.3:21-4:8 and 6:11) are no longer preached or believed since Freud said guilt does not exist. You get rid of the guilt complex by therapy and not by receiving God's PROPITIATION in Jesus' bloody murder in my stead. If this assembly is a sign of the good churches, what must the bad ones believe???

HERESY AND LEGALISM REIGNS! Long live false prophets! Lord have mercy on us and revive your work in the midst of our stupidity!

LIBERAL ORIGINS come from Platonic Rationalism, Deut. 13.

The N.T. answered all these heresies in the first century, but they keep popping up with different names and false prophets. These heretics have been in the State-Church since Constantine invited them all in and the true assembly left, but still fights against them on a smaller basis. As a pastor/teacher I am called to warn the believers and make sure that they are still hearing and obeying the TRUE FAITH, 2 Cor. 13:5 and 2 Tim. 3:12-4:5. I am more aware of this problem since I did preach a false gospel for five years of my ministry.

1. Socinus was part of the anti-Trinitarian movement against Christ at the time of the Reformation. He personally discussed many ideas with Calvin, but he was not convinced so he was exiled from Geneva. He fled to Poland and made his Unitarian stronghold there. Modern Unitarians like to start with him. A doctrinal summary of his theology:

No original sin from Adam, No divinity for Jesus, no propitiation for sin, no election or predestination, no bodily resurrection of Jesus, and their use of the Bible was rationalistic as the current Jehovah's Witnesses, etc.

2. DEISM of the 17-18th centuries in England came from Lord Herbert and Shaftesbury. They added to Socinus the following: No incarnation, no Biblical revelation, no miracles, no historical redemption, and God is kind and gentle with no wrath toward mankind.

3. Dr. Lessing spread Deism through Germany in the 18th century by the Wofenbuttel Fragments: no historical truth was possible, was his major concept. This is one of the sources of our current non-

doctrinal and irrational evangelicalism of the 20th century. The norm is “INNER TRUTH”, feelings, and the existential experience with the SELF and NATURE, but in CHRISTIANITY there is no objective reality.

4. IN the 19th century, Kant’s books spread the ENLIGHTENMENT which means “man’s emergence from superstitious religion and immaturity.” He denied all of the Christian truth in spite of having been raised by a godly mother. He taught TABULA RASA (the basis of Skinner’s BEHAVIOURISM), but he could never solve the problem of “OUGHT”/”CONSCIENCE” and creation, Ecc. 3:11.

5. The Harnack Summary of Liberal Christianity: The Fatherhood of God and the Brotherhood of mankind. Therefore, belief in Jesus’ imputed righteousness is not needed to stand accepted in God’s presence in order to be blessed.

Richard Niebuhr’s comment on Harnack’s theory: A god without wrath brought men without sin into a kingdom without judgment through the ministration of a Christ without a cross.

6. The SBC PEACE COMMITTEE gave the same old garbage in April, 1986. So I left the SBC because of the following heresy: No Adam, just evolution; No Miracles, just parables; No Biblical Authors, just editors; No revelation from God, just German rationalism.

ABC and SBC are now both united in their deception of churches which they once swore to teach God’s Word to. Once I followed them and I was guilty, but Now I have been delivered from this rationalism. May you who read this, please consider the truth and avoid the errors that will send you to the Lake of Fire and Loneliness forever. There are still some Bible-only people in these “systems”. May we influence the Gnostics to genuine salvation in our Lord Jesus Christ.

The Hebrew verb Form in the Hiphil

This is the causative form of the verb in Hebrew that has 7 different forms in the perfect and imperfect tenses. Many times it is not translated correctly in the English Bible. Why? I do not know

unless they wish to continue to deny and avoid the Sovereign Deity who has the right and authority to control his world, governments, and people???

How can the average Bible reader know for sure what he is reading is correct unless the pastor is trained in Biblical Languages? Years ago, one could not be a pastor unless he knew these disciplines. But today FEELING has replaced TRUTH in the local church and the seminaries avoid any contact with absolute, objective truth.

Current popular watered-down paraphrases of God's Word are lacking in correct translation as well as the old standard, KJV. At least the king was honest, he did it deliberately in order to keep his false religion going. Henry wanted many wives, so he started his Anglican State Church (Calvinistic Doctrine, Papal Rituals, Arminian Clergy). King James wanted a Bible without notes that told of bad kings, so they would not throw out The Divine right of Kings. Our Baptist ancestors were appalled at his translation of the Geneva Bible. KJV did win out because it was good, in spite of wrong translation of Bishop, unknown, unicorns, etc. Now it needs correcting as the ones it replaced.

So along with that mess, the translators did not translate the "causative" form correctly even though many knew the language well. Others denied God's unconditional election and did not want the scripture to prove it. The Great Doctrines of the 39 Articles of Faith defend Election and Predestination. So do the godly founders, but the natural, illusion of free-will, man will not allow God his due even in the Bible translations.

Here are six verses that will illustrate the problem:

Gen. 15:6 "Abraham (was) caused to trust in YHWH and YHWH credited it to him as righteousness." God caused Abe to leave his idolatry; not Abe's free-will.

Num. 21:9 "Then when anyone was bitten by a snake and CAUSED to look at the bronze snake, he lived." In verse 8, look or see is not in the causative and a different word is used "RAH". In verse 9, the word "look" is in the causative form and an intensive word, "RBT", meaning to look with close attention. Wilson p 258

Only God's elect are caused to look at the cross and see that their sin has been paid for, John 3:14. The non-elect reject the command (Acts 16:31) and do not see their sin nailed to the cross. Therefore, the Arminian free-offer of the Gospel is not effective if you believe in the Hiphil. The dead cannot look, John 12:39.

Psalm 23:2 "YHWH shall cause me to rest in green pastures." Those who believe in free-will, shall suffer in their depression and stress, but the elect, those who God causes to enter His rest (Heb.3 & 4) shall experience peace and patience and contentment in their trials and sufferings. The language is correct. Ask God to give you his rest, Gal 5:22.

Psalm 103:7 "YHWH caused his ways to be (made) known to Moses."

Pro. 22:6 "Saturate the child according to the custom of his way. Although he shall be caused to grow old, he shall not turn from his own life-style."

Gen. 4:3-4 "Cain was caused to bring an offering" v.3, from BWA Hi. ft. 3ms wc. "Abel was also caused to bring of the firstling ..." v.4, from BWA, Hi.pf.3ms.

I reject being a Calvinist, Fatalist, Scofieldite, or any other appellation. I just believe what the Bible says and let others build their system of theology which shall eventually deny God's Word. Reformed no longer believe this even though it is in their creed. Luther believed this, but the Lutherans don't. Baptists did. The Scripture stands fast. Only the isms change God's Bible to fit their system.
